BLACK HISTORY MONTH:

This month is in honor of Black History Month, or National African American History Month. It is an annual celebration of achievements by black Americans and a time for recognizing the central role of African Americans in U.S. history. The event is the brainchild of noted historian Carter G. Woodson and other prominent African Americans. Since 1976, every U.S. president has officially designated the month of February as Black History Month. Other countries around the world, including Canada and the United Kingdom, also devote a month to celebrating black history.

Today's Black History Fact:

Dr. Maulana Karenga created the African-American holiday, Kwanzaa, in 1966.

BBBBS CAMPAIGN – Bring Borrowed Books Back to School:

Students if you have books at home from previous classes or previous years, bring them to the Attendance Office so that we can clear your record of lost books. You don't want to wait until you are a senior and have to pay for books from your freshman, sophomore or junior high year.

Attention: – All students that have perfect attendance during the month of February will be eligible for the raffle that will take place in the quad area on Friday, March 2, 2012, during nutrition. Great prizes/gift cards will be awarded to the students whose names are drawn on that day. "Every day counts!!"

College Office:

The following colleges have scheduled visitations at Eagle Rock High School. Permission slips are required and are available in the college office.
